WORK EXPERIENCE

Boutique IB - Healthcare, Investment Banking Summer Analyst, *New York, NY* May 2013 - August 2013

- Composed research reports on healthcare subsectors, highlighting in-depth industry evaluation and public comps/transaction analyses, which were widely distributed as marketing material to attract investment banking clients
- Built a slide deck for the CEO of a company evaluating a potential sell-side deal in the CRO industry, illustrating growth drivers and recent industry trends as well as external strengths and weaknesses for the company going forward
- Compiled a target list for a ~\$9.5 billion multinational medical device company seeking acquisitions in Latin America
- Constructed extensive subsector specific spreadsheets highlighting business descriptions, historical financial information, product/service breakouts, comparable transaction analyses and current relationships with each company
- Created investor profiles illustrating selected private equity firms and the healthcare companies in their portfolio
- Maintained the company's database which included over 11,000 companies in the healthcare sector

PWM Internship, Associate Advisor Intern, *Shittown, NC* February 2013 - May 2013

- Restructured 401k accounts based on the assessment of the client's risk profile and long-term financial goals
- Analyzed the historical rates of return, assets under management and turnover rates of various mutual funds to determine the best investment options available within a client's 401k plan
- Assessed all client retirement accounts to determine eligibility for a Wrap account, which generated more fixed fee based revenue for the Advisor and created an effortless investment option for the client

B/S Internship, Financial Advisor's Assistant/Recruiting Intern, *Shittown, NC* August 2012 - December 2012

- Worked amongst a team of recruiters to collectively fill several full-time Financial Advisor openings
- Maintained a spreadsheet system to efficiently track relationships with candidates

LEADERSHIP EXPERIENCE

Happytown Investment Association, Treasurer, *Student Managed Organization* January 2013 - July 2013

- Individually initiated the currently ongoing phase to obtain ~\$100,000 of funding for use towards the fund's portfolio
- Presented the organization's goals and potential benefits of funding to administrators in the business school
- Restructured the organization's business model and hierarchy, which led to a 50% increase in member attendance
- Tracked and recorded membership payments and controlled the organization's cash balance for discretionary use

Happytown Investment Fund, Analyst, *Student Managed Organization* August 2012 - May 2013

- Supported equity research of selected securities and participated in pitches to gain understanding of company analysis
- Presented key drivers and trends for selected companies as well as technical analysis to illustrate an entrance strategy
