EMPLOYMENT

Big 4 | London, Office Location

Sr. Audit Associate – Listed Entities & Valuation

October 2022 - Present

- Supported the audit of the valuation of <huge Companys> <acquisition>, contributing to a £XXbn impairment—the Xth largest of all time.
- Produced research summaries on Consumer Goods and TMT sector companies, analysing key environmental, industry, and financial factors driving share price.
- Worked with senior management on FTSE250 companies, to assess their internal financial forecasts and the key assumptions that drive management’s intangible asset and subsidiary valuations.
- Performed DCF analysis, stress-testing key assumptions such as WACC and terminal growth rates to evaluate the robustness and appropriateness of valuation outcomes.
- Led comparable company analyses for TMT acquisitions involving <Medium Company>, ensuring accurate calculation and application of valuation multiples like EV/EBITDA to audit valuations.
- Prepared client-ready audit findings and financial commentary for senior stakeholders and audit committees, using PowerPoint to communicate insights clearly and effectively.

SKILLS

- Proficient in Excel with strong financial modelling competency, including DCF, three-statement, and scenario analysis.
- Working proficiency in research tools such as S&P Capital IQ and LSEG Data & Analytics (Refinitiv).
- Strong public speaking skills; delivered presentations and training sessions to new graduates and wider audiences as part of Big4’s internal development programs.
