WORK EXPERIENCE

Accounting Firm (Similar to Big 4) Frankfurt am Main, Germany
Deal Advisory Intern 04/2024 – Current

Participated in more than 15 projects for Private Equity and Venture Capital clients across diverse industries, including healthcare, industrials, and infrastructure.

- Assisted the team's senior management by performing comparable companies and precedent transactions analyses and conducting market research to ensure alignment between industry forecasts and the assumptions used in our DCF models.
- Supported the team throughout financial and operational due diligence projects, with the goal of helping our clients to identify potential risks and opportunities.

DAX 30 Corporation xxx, Germany
Mergers and Acquisitions Intern 04/2023 – 08/2023

- Participated in deal sourcing for transactions exceeding €1.5 billion in enterprise value, helping to identify and evaluate strategic acquisition targets that aligned with the company's growth objectives (industrials and technology).
- Assisted senior management throughout the due diligence process on ongoing acquisitions.
- Conducted market research and actively participated in the development of new M&A strategies.
