WORK & LEADERSHIP EXPERIENCE

Moody's Affiliate MERIS (Middle East Rating and Investor Service) <i>Finance Intern in Credit Rating</i>	Cairo, Egypt August 2012– November 2012
--	---

- Participated in two teams of 3 analysts to rate 2 commercial banks in Egypt; activities included:
 - Participated in collecting info and analyzing the bank size, market position, management, governance, financial performance and projection analysis.
 - Attended the due-diligence meeting with the bank seniors to cross check and share the collected and analyzed information as well as examination of the future strategy of the management and if it is communicated properly across the bank team.
 - Participated in writing the rating report and attending the review meeting and the rating committee involving one of Moody's International banking senior analysts to discuss the rating consideration and assign a final rate.
- Participated with two teams of analysts in issuing ratings for two securitization transactions (LE 400 million for an auto finance company and LE 500 million for a leasing company):
 - Reviewed the companies' operation in terms of systems, procedures, underwriting policies and criteria.
 - Examined the cash follow model for the transaction, for specifying the rate through a rating committee involving one of Moody's International Senior analysts.

Nokia GmbH <i>CAD Designer</i>	Ulm, Germany April 2011– March 2012
--	---

- Assisted in a team of 3 in designing and producing prototypes for new mobile phones.
- Used my experience in CAD, which led to speeding up the designing process of mobile parts.
- Found a new cleaning technique which resulted in more clean prototypes produced per week

University of Ulm <i>CAD Designer</i>	Ulm, Germany June 2009– September 2009
---	--

- Responsible doing CAD mechanical designs for X-ray machine and its supporters
- Created a new design for the supporter which led to a better support with less costs
