

DP Group of Companies: DP Green Profile

Creative and dynamic, [DPG](#) is a multi-disciplinary practice comprised of architects, landscape architects, horticulturists and arborists. Like skilled [craftsmen](#), they take a process-driven approach to design in the built and natural environment, ensuring that the [landscape](#) is in harmonious balance. A firm belief that architecture and landscape are inextricably linked, DPG have a keen fondness on public spaces. From parks to music stages, encouraging personal interaction with that space while pushing [design](#) boundaries is core to DPG's ethos.

Completed projects in Singapore include: myVillage at Serangoon Garden, awarded a Skyrise Greenery Award in 2011 for its successful integration of greenery into an urbanscape; Grand Park Orchard, a hotel at the heart of

the Orchard Road shopping belt; Jardin, a [residential development](#) that fully explores the concept of high-rise garden living; Hotel Fort Canning, where plantings from Fort Canning Park were implemented to celebrate site history; the Trinity Christian Centre at Paya Lebar; and the School of Science and Technology (SST).
