---

**OBJECTIVE** Seeking to become a financial analyst where I can apply my financial knowledge and research skills in a dynamic and challenging work environment

---

## EDUCATION

### State University of New York (SUNY) College at Oswego, Oswego NY

Bachelor of Science in Management, Concentration: Finance, Minor: Economics  
Overall GPA 3.38

Expected May 2015

Dean's List: Fall 2011, Spring 2012, Fall 2012, Spring 2013, Fall 2013, Spring 2014

### Member, Varsity Men's Soccer Team, SUNY Oswego

September 2011-Present

Winner of two consecutive SUNYAC All-Academic Team awards

## WORK EXPERIENCE

### Financial Analyst Intern, Adirondack Funds, Guilderland NY

May 2014-August 2014

- Constructed a model with earnings projections and free cash flow estimates to calculate a company's present value
- Analyzed competitors and their trading multiples to be used in valuation analysis
- Actively engaged in analyst calls to better understand management's outlooks, expectations, and business drivers
- Analyzed sequential quarterly revenues to recognize seasonal earnings patterns
- Received Bloomberg Certification in Core, Equity, Fixed Income, Commodities and Foreign Exchange

## RELATED EXPERIENCE

### CFA Research Challenge Team

July 2014-Present

- Selected by a committee of professors to compete in the CFA Research Challenge Team
- Responsible for writing the investment summary portion of an equity research report covering Sovereign Self Storage, where I converted valuation and analysis into a final recommendation
- Forecasted future free cash flows, revenues, and developed an economic value added model to evaluate the stock price
- Presented our valuation, analysis, and recommendation as a team in front of the Chief Financial Officer of Sovereign Self Storage in a competition against other universities

### Financial Sector Leader, Investment Club

September 2013-Present

- Collaboratively invest \$100,000 into a portfolio of stocks chosen from the S&P 500 using fundamental analysis to find undervalued companies; specifically responsible for covering the Financial sector
- Performed comparative analysis on companies within the Financial sector, analyzing revenue drivers, business trends, growth projections, and historical returns
- Proposed a stock picking competition and was responsible for implementing it upon approval

### CFA Research Conference Team

September 2013-November 2013

- Selected for CFA Team trip to the New York Society of Security Analysts conference on Frontier Capital Markets in NYC
- Presented our findings at the annual Global Awareness Conference at SUNY-Oswego to an audience of over 60 finance and economics students

### Project Manager, Entrepreneurial Action Us (ENACTUS),

September 2012-May 2014

- Participated in a microfinance institution, analyzing micro and macroeconomic factors in order to efficiently allocate capital to frontier market entrepreneurs with the goal of achieving the greatest economic impact while preserving principal
- Managed a sub-sector of the club with responsibility for 25 members
- Organized a coffee sale with a local business and other KIVA group students to raise funds to loan to entrepreneurs
- Performed due diligence and lend funds to foreign entrepreneur's to assist them with their business' start-up costs

### Vice President of Finance, DECA, SUNY Oswego

Fall 2013 - Present

- Founded the club at SUNY Oswego to help students in the school of business be more prepared for their respective careers and to create opportunities for students to network more easily with alumni
- Organized an alumni, professor, and student golf tournament
- Coordinated the first annual 'Prep for Success' career planning seminar with Human Resource professionals who work at big banks
- Increased DECA's budget from \$500 to \$1,500 upon taking over the Vice President of Finance role.

## COMPUTER SKILLS

- Bloomberg Certified, Proficient in Microsoft Office (Including Excel)
