## WORK EXPERIENCE

---

### Crocodile Group Pty Ltd – City, State

**Jan 2011 – Feb 2014**

Project Engineer

- Joined as a Graduate Engineer and within three years, progressed to a second in charge role for a large infrastructure design project which involved significant engineering and commercial responsibility.
- Summary of experience below:
  - **Dingo LNG Project – Permanent Buildings**
    - Held a second in charge role as Design Coordinator and successfully handed over drawings and specifications for a \$200 million building project on time and within budget.
    - Managed a multi-disciplinary team of eight different engineering consultants on a day-to-day basis to produce drawings and reports complying with client specifications.
    - Composed weekly agendas and chaired meetings with clients to discuss and proactively resolve current engineering and commercial issues.
  - **Dropbear Regional LNG Project – Permanent Buildings**
    - Responsible engineer for the planning, coordination and execution of all concrete works on site while taking into consideration the challenging logistical issues associated with the project.
    - Developed a scheduling and planning tracker for concrete works that allowed for the accurate forecasting of materials required thus minimising wastage and delays saving thousands of dollars.
  - **Somewhere Regional Project – Onshore Gas Plant**
    - Charged with resolving the final technical issues and responsible for allowing the company to claim for outstanding accounts receivables totalling in the tens of thousands of dollars owed by the client.

## AWARDS AND EXTRA-CURRICULAR ACTIVITIES

---

### Awards

- 2014 – Awarded the inaugural Sailing Ship Scholarship to sail on-board a tall ship for 7 days to further develop teamwork and leadership skills. Was nominated as Team Leader during the final day when complete control of the ship was handed to the new crew.
- 2013 – Youngest Crocodile Group employee nominated to enter the company's Career Lattice program in recognition of rapid career progression and leadership skills.
- 2013 – One of ten students selected on academic merit to represent the university at a Boardroom Lunch with the Dean of the Wombat Business School and the Chairman of Bulge Bracket Bank.

### Extra-curricular

- Committee Member of StudentOrg, a not-for-profit student organisation aimed at helping young entrepreneurs get their ideas into action. Specific achievements include successfully organising a "Women in Entrepreneurship" event with a turnout of over 50 female entrepreneurs and students for a panel discussion and networking event as well as creating a "Start-up Consulting Challenge" in collaboration with Deloitte Consulting and Uber.
- Qualified at the conservatory level for piano (National-Level Grade 8 and first year music elective in university).
- Achieved 2<sup>nd</sup> place in university's indoor soccer tournament.
