WORK EXPERIENCE

Private Tutor
TUTOR

Southend-On-Sea
Jan 2012 - Sep 2013

- Started my own private tutoring business, visiting clients of all ages up to A-level standard.
- Expanded the business from 1 student per week initially to 5 during its peak.

Oxford Entrepreneurs
DIRECTOR OF MARKETING

Oxford
Jan 2014 - Present

- Co-organised "Oxford Inspires", the society's flagship conference attended by over 400 people with speakers from both the UK and abroad. Personally reached out to and secured a guest speaker from Silicon Valley.
- Director of the OE Internship Programme - read through over 50 applications from secondary school and university students, and selected and matched successful candidates to startups in the UK where they will be interning over the summer.
- Hackathon Director - in charge of organising the society's inaugural 'hackathon' in November 2014, a 48 hour event in which students will compete to create innovative software projects

Oxford University Islamic Society
TECHNOLOGY CHAIR

Oxford
Feb 2014 - Present

- Responsible for the development of the society's website and online presence, and general management of the society.
