WORK & LEADERSHIP EXPERIENCE

United States Army

Company Intelligence Support Officer

DEC 2010 – Present

- Leads, trains and supervises a team of five company intelligence team members in order to effectively support a 131 Soldier Light Infantry Rifle Company with accurate and timely intelligence.
- Secured Highway 1 in Wardak Province by implementing tactics and techniques that utilized available surveillance and reconnaissance equipment to effectively mitigate improvised explosive devices being emplaced to target Coalition and Afghan National Security Forces.
- The first company in the Afghanistan Theater to effectively implement and integrate a technology program designed to capture local national workers who were affiliated with known terrorists.
- Established a company level intelligence standard operating procedure handbook in order to guide our intelligence section through a deployment to Afghanistan in support of Operation Enduring Freedom XII.

United States Army

Fire Direction Officer

AUG 2012 – Present

- Officer responsible for the tactical and technical fire direction of a 90 man medium howitzer battery.
- Leads, trains and supervises a 10 man team in order to safely provide accurate fire support down range.
- Responsible for computing safe and accurate fire direction of over 500 rounds in support of maneuver forces.
- Developed unit's standard operating procedure for fire direction operations.
- Responsible for the accountability and maintenance of over 600,000 dollars worth of equipment.

United States Army

Fire Support Officer

DEC 2010 – AUG 2012

- Fire Support Officer for a 131 Soldier Light Infantry Rifle Company. Advises the company commander on the employment, capabilities, and limitations of all organic fire support assets to include mortars, field artillery, attack helicopters and close air support.
- In charge of a 10 man fire support team to successfully enhance the intelligence, fire support and reconnaissance ability of a 131 man light infantry company.
- Led a fire support team to a successful deployment in Afghanistan during Operation Enduring Freedom XII.
- Responsible for the accountability and maintenance of over 1,000,000 dollars worth of equipment.
