WORK EXPERIENCE

2009 United Nations Framework Convention on Climate Change - COP15 Copenhagen, Denmark
UN Facilities Clerk & Protocol Officer

- Developed a simple new cloud based warehousing system used to process consignments for about 20,000 NGO participants. This warehousing system has since been used for all subsequent COP's
- Promoted to Protocol Officer, ensured that 120 heads of state delivered their official speeches in the appropriate order, despite frequent last minute changes due to global politics and diplomatic protocol

EDUCATION

2013 Shenzhen University Shenzhen, China
Intensive Mandarin Chinese at the Summer school program

2009 –2012 Copenhagen Business School & The IT University of Copenhagen Copenhagen, Denmark
Master of Science in IT - E-Business, GPA 3.5/4
Coursework: IT Strategy & E-Business strategy

- Did thesis research on how holding patents affects the profitability and market value of about 80,000 listed firms. Concluded that most patent holding firms generate lower ROE but trade at a price premium
- Used a reformulated RIV model and financial statement analysis methods to complete equity research on LinkedIn (LNKD: NYQ), finding analyst EPS forecasts improbable and LinkedIn overvalued
- Provided the first comprehensive research of the \$10billion Chinese counterfeit smartphone industry

2010 KAIST College of Business Seoul, South Korea
Exchange student at the Techno-MBA program, GPA 3.4/4
Coursework: Financial statement analysis, Financial law, Corporate finance & Chinese financial markets

- Reformulated the residual income valuation (RIV) model to show market price implied future earnings
- Analyzed various Chinese Internet stocks, and completed equity research on Tencent (700:HKG)

2010 The Chinese University of Hong Kong Sha Tin, Hong Kong
Associate student at the International Asian studies program, GPA 3.65/4
Coursework: International Finance and Chinese politics

2008-2009 Copenhagen Business School Copenhagen, Denmark
Intensive Mandarin Chinese at the Asian studies program
