WORK & LEADERSHIP EXPERIENCE

Compton Asset Management Company

Compton, California

Summer Analyst

May 2013 – July 2013

- 🕒 Conducted research on and built financial models for six (6) other financial institutions that were interested in trading securities with the company to ensure that they met the standard set by directors.
 - Built excel models using yearly financial statements to calculate financial ratios which the company's directors used to determine the eligibility of the prospective companies.
 - Wrote detailed profiles of these six financial institutions, which included past projects, current leadership and future plans.
- 🕒 Researched five (5) stocks on the *Compton* Stock Exchange to write notes contributing to the compilation of stock performance reports.
- 🕒 Aided supervisors in compiling monthly economic highlight reports.
 - Analyzed Treasury bill, open market operation and foreign exchange rates as well as money market, stock market and fiscal reports to update monthly economic highlights.

Compton Life Insurance Company

Compton, California

Summer Intern

July 2012 – August 2012

- 🕒 Developed and maintained Microsoft Excel spreadsheet of customer information, sales data and trends.
- 🕒 Recorded all policy sales for Compton's Compton Branch
- 🕒 Organized and filed policy contracts to allow insurance agents convenient access.

Compton Bookstore

Compton, California

Summer Sales Associate

June 2011-August 2011 and June 2012

- 🕒 Assisted customers with purchase of textbooks, stationary and school supplies
- 🕒 Realized sales contribution of approximately \$5000 over the four month period.
- 🕒 Conducted inventory count and communicated with suppliers in processing orders for store.
