EXPERIENCE

Marketing Intern

August 2014 –

- Maintain relationships with 10+ on-campus organizations to establish brand loyalty and sponsor various events
- Plan and sponsor 15+ events every semester to promote and expose the brand to the student body
- Meet and advise near or on-campus stores to denote current and suggest new methods of displaying and marketing product
- Strategically distribute and sample product to students every week to expose the brand and build brand loyalty around campus

Intern, Financial Derivatives Department

June 2014 – August 2014

- Studied and analyzed various arbitrage opportunities within the Futures Exchange
- Participated in department-wide presentations and discussions on implementing new trading software
- Assisted in providing support in English and Mandarin Chinese cross-translation and interpretation of documents

UNIVERSITY

Research Intern, School of Public Policy

August 2012 – June 2013

- Closely examined various policy literature and legal documents of the largest carbon cap-and-trade schemes operating worldwide to explore the levels of autonomy between linked schemes and synthesize approaches to the process of delinking
- Wrote a research paper, as well as 20+ annotated bibliographies and several literature reviews on the topics listed above
- Met weekly with Dr. a professor of environmental economics, to discuss readings and direction of research paper

ACTIVITIES

Executive Board,

University Economics Society

- Plan and run various economics-related events to provide information and opportunities to a general body of 2000 members
- Form and maintain relationships with outside firms, such as Deloitte and OECD, to provide information and organize events

Residential Adviser,

Residential Hall

- Foster an open and positive hall environment among and for 40+ incoming freshmen from diverse backgrounds
- Handle any potential administrative, social, mental, or general issues that may arise on hall and across the first-year area
- Program monthly events to promote wellness and community among residents and the entire residential hall

Executive Board,

College Student Ambassadors

- Advise the College Alumni Association on the direction of programs and initiatives to enable alumni-student interaction, as well as serving as liaisons between the association, students, and the entire campus community
- Connect with both students and alumni to foster school spirit and greater dialogue among students and alumni

Student Ambassador,

- Plan and execute two on-campus events every semester to promote brand awareness, image, and loyalty
- Provide input to both the design and marketing teams on the layout of catalogs and potential and viable new product lines

Executive Board,

TEDx

- Successfully hosted two TEDx events, each featuring four speakers comprised mainly of local professors specializing in cutting-edge STEM-related research
- Approached and built relationships with professionals selected as potential speakers and audience members for the event
