## PROFESSIONAL EXPERIENCE

---

### Feminism in India (FII)

New Delhi, India

- *Columnist focusing on Economics*
  - I work with large sets of economic data to analyze the economy, theory, and policy changes with the adoption of a gender perspective.
  - The noted Indian Economist Ashwini Deshpande highly praised my research article on the Impact of Rising Oil Prices on Women for its originality, extensive research and analysis.
  - The German magazine 'Der Freitag' translated and republished one of my articles on 'Rising Dowry payments in India and the decline in Europe' in print and online.

Present

### Gather Around Sisters

New Delhi, India

- *Research Intern*
  - I worked in a team of seven to build hyperlocal communities of women (600+) in the Capital City of New Delhi to mitigate the danger and unsafety that women face in India.
  - I led a project to increase financial literacy and knowledge of personal finance amongst 100 women from different backgrounds.
  - I collected data through web scraping, maintained databases, prepared documents and reports for the founder.

July - October, 2020
