WORK & LEADERSHIP EXPERIENCE

Boutique Consultancy **XXX, United Kingdom**

Economist July 2016 – Sep 2016

- Responsible for the calibration, maintenance and construction of new models for large clients.
- Compiled reports and research notes for traders on upcoming events affecting electricity demand.
- Assisted in a newly adopted aggressive sales push in the Europe region by following sales leads.

Boutique Consultancy **XXX, United Kingdom**

Junior Economist Sep 2014– July 2015

- Streamlined processes through using various programming languages resulting in models being calibrated quicker, this reduced costs of the team by around 10% and improved productivity.
- Lead a team of new employees (under supervision) to create a new suite of gas forecasting models for a big six energy firm in Romania. Client was very pleased with the suite and as a result decided to purchase more models.
- Conducted ad-hoc, scenario and weather risk analysis for clients upon request, also tending to any issues found within the models and responding to customer queries.

Russian Speaking Society **XXX, United Kingdom**

Social Secretary Oct 2013 – July 2014

- Organized a number of events for members of the society, including a variety of day trips and events, helping new students to integrate into the university.
