Education:

2014 – 2017 **TARGET UNI** BSc (Hons) in Economics. Year 1 result: First Class
2012 – 2014 **SCHOOL** A-Levels: Economics A*, Maths A, Chemistry A
2010 - 2012 **SCHOOL** AS Levels: Biology A
11 GCSEs all A* (including Maths and English)

Experiences:

August 2015 Summer Insight Day, Bank of England, London

- Networked with senior managers and current graduates. Discovered what the Bank's different divisions do
- Learned about the importance of clear communication and transparency in achieving monetary policy objectives

July 2015 Summer Intern, Aaspaasjob.com, Mumbai, India (Workforce on demand technology start-up)

- Created a pitchbook for the company CFO with the aim of securing venture capital investment
- Analysed the Indian workforce, drawing insights from historic patterns and future trends in the labour market
- Compared Aaspaasjob.com with potential competitors including Aasaanjobs.com and Babajob.com both in terms of business model and product features

March 2015 Spring Insight Programme, NM Rothschild & Sons, Global Financial Advisory, London

- Acquired an oversight of Rothschild's M&A, debt and restructuring and equity advisory businesses. Fast tracked to the final round of the 2016 Summer Internship selection process
- Shadowed junior bankers. Learned the theory behind company valuations through DCF/Comps/Multiples/EBITDA
- Delivered a group presentation on a potential M&A transaction. Developed an understanding of merger rationale and the structure and financing of M&A transactions. Won an award for 'Best Presentation'

July – August 2014 Summer Intern, **Company Name**, London (Private Medical Practice)

- Responded promptly to patient queries regarding cost and appointment availability via phone and email
- Made invoices after consultations and sent them promptly. Proactively designed a new, professional invoice
- Encouraged the doctors to improve efficiency by investing in practice management software (Healthcode). Healthcode improved cash flow and reduced the time spent administering invoices and chasing bad debt

July 2011 Summer Intern, HSBC Bank plc, 92 Kensington High Street, London

- Welcomed customers, dealt with their queries. Assisted them in using the bank's deposit and withdrawal machines
- Shadowed the mortgage manager. Gained an insight into how mortgage applications are assessed
- Attended a HSBC Premier meeting with a high-net-worth individual. Gained an appreciation of the challenges in choosing which areas to invest in

Positions of Responsibility:

- **UNI Student Mentor** – Selected as a mentor for the Department of Economics Undergraduate Mentor Scheme
- **UNI Asian Society Sponsorship Team** – Part of a team responsible for securing sponsorship for the Asian Society
- **Hindu Assembly Team Leader** – Led my school's weekly Hindu assembly, attended by over 150 students
- **Teaching Assistant** – Selected to teach Science to local primary school students for 6 months
- **Peer Mentor** – Chosen as a mentor to younger pupils. Encouraged their full involvement in the school's wider activities
- **Haiti Earthquake Fundraiser** – Led a team to organise 2 football tournaments in school, each with over 200 participants

Skills and Achievements:

- Languages – English, Hindi, German (basic)
- Computer skills – Advanced Microsoft Office user
- Awarded the Jack Petchey Award for Outstanding Achievement for my fundraising efforts in school

Extracurricular activities:

- Member of the following **UNI** societies: Economics, Finance, Asian and Salsa Dancing
- Sports: Won an inter-club karate competition with over 200 participants. Play football and table tennis at university
- Interests: Property development (managed the full refurbishment of a 4-bedroom house in London) and travelling
