## WORK & LEADERSHIP EXPERIENCE

---

### **Dalhousie Agricultural Student Association**

*Head Finance Executive*

**Truro, Nova Scotia**

2016 – 2017

- Elected by approximately 1,000 students to represent the Agricultural Campus's students in financial matters.
- Worked with a small team to allocate a budget of over \$200,000 towards prudently enhancing student experience.
- Organized events, meetings and charitable activities on a weekly basis while maintaining a balanced budget.

### **Aeres University of Applied Sciences**

*Professorial Assistantship: Department of Finance & Economics*

**Dronen, Netherlands**

2015 – 2016

- Held lectures to undergraduate students relating to international trade and finance in the Agri-Food industry.

### **Bocca Coffee Roasters**

*Financial Research Intern*

**Amsterdam, Netherlands**

2016

- Conducted a cost reduction analysis, reviewed finances and performed market research for a top European specialty coffee roaster. Company saved €1100/mo in the past year via suggestions from analysis.

### **Agricultural Economics: Private Research**

*External Consultant*

**Toronto, Ontario**

2015

- Hired by investors to research and analyze the economic viability of Crocodile farming in Nicaragua.
- The report has since been translated into three languages; reviewed by both institutions and investors.

### **NS Entrepreneurship Competitions: 1st Place Prize Winner**

*Team Founder*

**Halifax/Truro, Nova Scotia**

2015-2016

- Participated in several independent entrepreneurial competitions in the past two years. Placed 1st in two events and 2nd in another. Later competed in the semi-finals of a national Business Model competition.

### **Liberty Group: Casa Loma**

*Liquor Supervisor*

**Toronto, Ontario**

2015

- Monitored and restructured alcohol inventory at a top event venue, increasing product flow efficiency.

### **St. Michael's 'M'porium**

*Retail Sales Associate*

**Toronto, Ontario**

2012 – 2014

- Worked alongside a small team in opening a temporary second location during three summers, which resulted in improved logistical productivity and higher sales. Participated in product development and direct client sales.

---
