WORK & LEADERSHIP EXPERIENCE

Boutique Investment Bank

Incoming Investment Banking Summer Analyst

Location, State

Jun. 2026

- Expected to conduct valuation analyses including DCF, comparable companies analysis, and precedent transactions while building financial models, supporting due diligence, and preparing client materials for deal execution

Permanent Capital Holding Company / Search Fund

Private Equity Analyst

Location, State (Remote)

Nov. 2025 – Present

- Developed investment theses and presented 3–5 deal recommendations in Investment Committee meetings while performing valuation work on \$10–50M revenue targets with 10–20% EBITDA margins
- Supported LBO, valuation, and financial modeling analyses by reviewing 3–5 years of financials and assessing cash-flow quality, margin trends, and key operational risks
- Led industry-specific sourcing and screened 200–500 HVAC and garage-door targets using Inven, BBB, and directories, analyzing 15–25% YoY growth and participating in 10–20 owner and investor discussions

College Derivatives Investment Club

Research Analyst

Location, State

Sep. 2025 – Present

- Evaluated market and corporate data for derivative strategies, using LTM/NTM metrics, valuation metrics, YoY growth trends, and comps analysis to support 2 call-option pitches on PayPal and Exxon
- Built valuation frameworks using FCF analysis, trading multiples, and comparable companies to produce quantitative investment recommendations

College Investment Group

Member

Location, State

Sep. 2025 – Present

- Analyzed market, industry, and company data for CIG's \$600K Core Fund, applying trading comps, valuation metrics, and growth trends to support investment pitches and stock recommendations

Local Grocery Store

Baker

Location, State

Jun. 2023 – Sep. 2023

- Managed inventory and custom orders, fulfilled client-specific requests, and improved operational efficiency through workflow optimization and task delegation
