## WORK & LEADERSHIP EXPERIENCE

---

### Deloitte

Edinburgh

*Incoming Spring Intern*

April 2017

- Selected to participate in the 'Spring into Deloitte' programme.

### [Society Name]

Coventry

*President*

February 2017 – Present

- Elected President by membership to manage operations, chair meetings and supervise the executive committee.
- Restructured committee so executives had clear responsibilities, reducing workload imbalances by 50%.
- Sourced speakers for the upcoming year ([four former UK government ministers]). Analysed membership and communicated with X to identify target market. Surveyed target market to select speakers.
- Developed relations with the X Society, the Y Society and the Z Society to co-host events and increase penetration of the target market.

*Treasurer*

June 2016 – February 2017

- Elected Treasurer to communicate with the Student Union (SU), manage the finances and support the President.
- Developed relations with the local Xparty to outsource printing, reducing annual expenditure by 50%.
- Researched competitors to develop and execute a strategy, increasing event participation by 170%.
- Analysed feedback of the society's performance. Innovated solutions to problems identified through feedback, increasing the retention rate of event attendants by 30%.

### [Society Name]

Coventry

*Treasurer (Co-founder)*

Jul 2016 – Present

- Pitched proposals to the SU, successfully establishing a society focused on human rights and free speech.
- Developed relations with the X Society, the Y Society, and Z to co-host events, increasing event attendance by 120% over the Winter term.

### Summer Camp

Brant Lake, NY (USA)

*Bunk Counsellor & Office Associate*

June 2016 – August 2016

- Acted as Bunk Counsellor, collaborating with other counsellors to oversee the wellbeing of eight boys, and Office Associate, solving problems faced by staff members.
- Implemented new technologies into the camp's office, speeding up functions and increasing efficiency.
- Produced materials for prospective parents and campers, tailoring the materials to appeal to the target market.

## ACTIVITIES & INTERESTS

---

- **Activities:** Studying a Coursera course in Business Analytics Specialization.
- **Interests:** Political campaigning (canvassed for parliamentary by-elections in X, Y and council by-elections in Z); travelling (backpacked across the East Coast of Australia).
