EXPERIENCE

Business School

Tutor/Peer Mentor

City, CA

May 2014 – Present

- Tutored 20+ students each semester in Financial and Managerial Accounting, Economics, Statistics, and Corporate Finance
- Taught supplemental lessons across related subjects resulting in increased student engagement and learning
- Monitored progress of students and presented findings to faculty members in an effort to improve tutoring methods

CA Major Hospital

Research Assistant/Department of Epidemiology

City, CA

May 2012 – Jul 2013

- Extensively used Excel for regression and correlation analysis to identify trends concerning Methicillin-Resistant Staphylococcus Aureus (MRSA) infections in northern CA hospitals
- Prepared and presented documentation for Chief Epidemiologist, medical residents, and upper management detailing risks associated with the spread of MRSA in urban inpatient facilities
- Developed media and print campaigns to raise awareness of preventative measures against MRSA, used in 3 CA hospitals

LEADERSHIP & EXTRACURRICULARS

School Business Society

President

City, CA

Apr 2015 – Present

- Responsible for overseeing club representing the Business School's 500+ undergraduate students
- Organized Business School student activities and events including industry professionals and alumni discussion panels, speed-networking sessions, resume workshops, and NYSE trip to increase student involvement
- Acted as liaison between the club, advisors, School Student Senate, and Business School Board of Advisors to align the club's objectives with school's Strategic 2020 Vision
- Assisted and coordinated effectively with executive board members to translate ideas into measurable results

School's Investment Management Group

Founder/President

City, CA

Dec 2014 – Present

- Collaborated with faculty and students to establish an organization where students can learn about investing, stock pitching, risk management, financial statements, and DCF, LBO, and M&A modeling
- Created a \$100,000 mock fixed-income portfolio with diversified holdings run by students under professor guidance

School's Business Society

Vice President

City, CA

Sep 2014 – Apr 2015

- Increased recruitment by 50% to 160 active members through organizational presentations, email, and social media
- Designed website to centralize and promote upcoming Business School activities by leveraging executive board direction and general body feedback

M&A Competition

3rd Place/Analyst

City, CA

Sep 2014 – Dec 2014

- Led team of 4 students and analyzed technology industry trends to determine viability of acquiring biotech start-ups and strengthening Google Inc.'s core competencies
- Performed comprehensive Mergers & Acquisitions Valuation including DCF Analysis, competition/industry research, and Comparable Company Analysis to evaluate possible acquisition targets for Google Inc.
- Reviewed target company's 10-K and 10-Q forms including income statement, balance sheet, and statement of cash flows to assess Weighted Average Cost of Capital and other financial benchmarks
- Presented a pitch of acquisition target to school professors, XXX and XXX senior analysts
