WORK & LEADERSHIP EXPERIENCE

Deutsche Bank

Internship, Capital Markets and Treasury Solutions

- Internship offered and accepted

Frankfurt am Main, Germany

Jan. – March 2013

crossconsulting GmbH

Internship, Financial Services Consulting

- Restructuring of the transaction services, process analysis and project-focused research
- **Selected Project Experience:**
 - Transaction services restructuring of a large German bank with more than 150 billion assets. Mainly being involved in process-analysis. Findings resulted in more efficient banking transactions and saved the client time and money.
 - Evaluated possible investments for an Internet focused venture capital firm. Analyzed multiple IT business plans and validated financial projections. Concluded that key factors in financial projections were frequently unrealistic. Research and evaluation findings resulted in several projects' not being further pursued, freeing up resources sounder investments.

Cologne, Germany

July –Sept. 2012

Doertenbach & Co.

Internship, M & A Advisory

- Conducted project-focused research and financial modulation for several ongoing projects. Analyzed private equity sell-side discovery and financial statements.
- Researched potential buyers for a client in the clothing industry. Research included financial profiles, geographies, and management teams. Analysis results led to the client proceeding with further due diligence and a successful sale to a private equity firm.
- Search for PE firms with potential interest to liquidate their portfolio and divestment.

Frankfurt am Main, Germany

July –Sept. 2011

Entrepreneurial Activities

- Developing a service that evaluates changes in products and companies social media sentiment and their respective stock price fluctuation. (Present)
- Founded codepigeon.com and sold sitedeal.de to the 2.0Promotion GbR. (2012)
- Developed and sold gigmich.de to fastforward GmbH. (2011)
